

### PRODUCT DESCRIPTION

- RIVERINA TURKEY GROWER PELLETS are suitable to be fed as a complete feed for growing turkeys from approximately seven (7) weeks of age through to slaughter weight. Turkey poults should have unlimited access (feed Ad lib.) to RIVERINA TURKEY GROWER PELLETS.
- This feed is second stage in a two stage-feeding program for growing turkeys. It is produced in a pellet form so that feed wastage is minimised, digestibility is improved and so that a consistent intake of nutrients essential for growth is achieved. This feed is formulated in accordance with current research into turkey nutrition and is mixed from a variety of quality raw materials.

### COMPOSITION

- Base grain as depicted seasonally and therefore proportions may vary.
- Wheat, maize, sorghum, bran and pollard, a combination of protein meals (cottonseed meal, soyabean meal, sunflower meal, bloodmeal, meatmeal), vegetable/animal oil, limestone, sodium bicarbonate, salt, choline chloride, added amino acids, Rumensin™, Riverina Vitamins and Minerals.

### DIRECTIONS FOR USE

- Environmental conditions including temperature and hygiene are of vital importance during the rearing period.
- This feed is a complete feed and no supplementary feeding is necessary.
- During this period approximate feed intakes should be:

Age of Birds	Approximate Feed Consumption (per head per day)
Week Eight	185-195 grams (toms) 145-155 grams (hens)
Week Ten	250-260 grams (toms) 190-200 grams (hens)
Week Twelve	320-330 grams (toms) 220-230 grams (hens)
Week Fourteen	380-390 grams (toms) 250-260 grams (hens)
Week Sixteen	430-440 grams (toms) 275-285 grams (hens)
Week Eighteen	465-475 grams (toms) 295-305 grams (hens)
Week Twenty	515-525 grams (toms)
Week Twenty-Two	545-555 grams (toms)
Week Twenty-Four	580-590 grams (toms)

- NOTE: The above feed intakes are only indicative. Feed intakes will vary with the season, variety of bird, lighting, shed conditions, disease status and other environmental conditions.
- It is important to change the feed regularly so it remains fresh and palatable.
- It is very important that birds have clean, cool, fresh water available at all times.

### TECHNICAL RELEVANCE

- Contains digestible ingredients for young animals
- Protein meals providing natural sources of essential amino acids. Plus lysine and methionine to balance essential nutrient requirements.
- Contains essential vitamins and minerals.

### VETERINARY CHEMICALS

- Rumensin™ as Monensin sodium added at the rate of 100 mg/kg.

### MEDICINAL CLAIM

This feed contains the following veterinary chemicals-

- Rumensin™ is added to this feed for the prevention of coccidiosis caused by Eimeria tenella, E. acervulina, E. maxima and E. brunetti.

### NUTRITIONAL ANALYSIS

PROTEIN	%	:	22.00
CALCIUM	%	:	0.5-1.25
AV PHOS	%	MIN:	0.500
ENERGY A-ME	MJ/kg	:	12.00
SALT	%	MIN:	0.1-0.40%

### SPECIAL FEATURES

#### IN PELLETT FORM

- Eliminates separation that can occur with mash/meal type feeds. Improved digestibility. Consistent nutrient intake.

#### QUALITY PRODUCT

- Manufactured to strict quality control standards.

#### PRECISE FORMULATION AND MIXING

- Formulated in accordance with current research into poultry nutrition and mixed from a variety of quality raw materials.

### WITHHOLDING PERIOD

Meat. Nil. Eggs. Do not use in birds laying eggs for human consumption.

### WARNING

After withdrawal of medicated feed, monitor flock for coccidiosis outbreaks and treat with Rumensin™ Coccidiostat solution. Coccidiosis control programs may need to be designed for a particular flock, property or situation and veterinary advice may be necessary.

**Please note:** Government legislation prohibits the inclusion of medication used for blackhead. Should the incidence of Blackhead occur, please contact your local veterinarian for advice on medication suitable for blackhead control.

### STORAGE

Cool, dry conditions, away from vermin.

### EXPIRY AFTER MANUFACTURE

3 months from the date of manufacture.

### PACK SIZE

20kg woven polypropylene bags.

Or

Bulk loads: Contact your local Riverina Sales Representative for details.

Rumensin™ is a product of Elanco Animal Health P/L.

This feed is scientifically designed for the intended species of animal and should not be fed to any other animal. It may contain medication and ingredients that may prove harmful if fed to other species.
