CHECK WHAT'S IN THE PEN CAREFULLY

Check the lot number, breed and number of birds. It is your responsibility that you are bidding on the birds as they are presented in the pen. e.g. If the catalogue says Trio, but there is only a Pair in the pen, you are bidding on a Pair. Please do not complain after the auction that what you have bought isn't what you expected. The catalogue is a guide only. If you are not sure, ask a club member for help.

Gympie Poultry Club Inc accepts no responsibility for incorrect description of any Lot and will be conducting the Auction under the Constitution and By-Laws of Gympie Poultry Club Inc. and the usual terms & conditions of a Public Auction.

All lots will be offered in numerical order as per the Catalogue.

The auction will be conducted using the bid card system.

If a bird is passed in please tell us if you'd like to make an offer and our club will handle the negotiations for you.

The pavilion will be closed during the last 25 lots with no persons allowed in the shed at that time.

COLLECTING YOUR BIRDS

All birds can only be collected after the auction is complete.

The pavilion will be closed during the last 25 lots with no persons allowed in the shed at that time.

DO THE RIGHT THING, if you negotiate with an owner of a passed in lot please be honest and pay through the club.
